To: Connie Watson, Williamson County PIO

As per the Texas Open Records Act, please provide (or make available for review) copies of the sequentially-numbered tickets showing the individual loads of solid-waste-disposal events at the Williamson County Landfill for the full business day of July 14, 2009.

You may provide the documents to me via e-mail, regular US mail, or by inspection at the designated county office so that documents to be copied may be selected.
